One Month Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next month. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Self control

This is a time when you may find it difficult to be open and spontaneous, fearful of appearing foolish. Responsibilities will increase, but so may your accomplishments. Passion

Jealousy and possessiveness could cause conflicts in romance and marriage yet, at the same time, heightened passions will increase your sex drive. This combination could either produce fiery passion, strengthening inextricable bonds of love, or blazing tempers and rows which could tear an unstable relationship apart. If unattached, you could now be attracted to the most unusual of people.
